

### Article 31

(leisure, play and culture)

Every child has the right to relax, play and take part in a wide range of cultural and artistic activities.

The Rights Respecting Award Focus Group have identified which activities children are interested in.

As a consequence, we are pleased to offer a wide range of extra curricular clubs throughout the year. (In addition to those provided by outside agencies.)

Letters will be sent out with details of the club, from the staff member running it.

We hope your child will be able to participate in a favourite activity or take the opportunity to try something new.
