

Ouston Primary School

Fire Safety Policy and Emergency Plan

Fire Safety Duties -

The following persons have fire safety responsibility within the school -

Head Teacher - will ensure there is a Fire Safety Risk assessment and that preventive and protective measures are in place.

Caretaker - will during the course of his duties ensure that fire safety measures are in place.

Teachers - will take charge of pupils to ensure their class evacuates the building in an emergency.
- will actively ensure that the means of escape in their classroom is never obstructed or blocked.

All other staff (inc. Kidz Club, and After-school club Coaches)
- will cooperate in the emergency procedures in event of a fire.

Employees

Employees will be provided with clear and relevant information on the risks to them identified by the fire risk assessment, about the measures to be taken to prevent fires, and how these measures will protect them if a fire breaks out.

The school will consult employees (or their elected representatives) about nominating people to carry out particular roles in connection with fire safety and about proposals for improving the fire precautions.

Employment of children

Before the employment of a child the Young Employee risk assessment, as detailed in the School Health & Safety Policy and Procedures Manual, will include the risk from fire and the measures taken to control the risk.

Non-Employees

The school will inform non-employees, such as students and temporary or contract workers, of the relevant risks to them, and provide them with information about the fire safety procedures for the premises. The information will include any part they will be expected to play in the evacuation of pupils from the premises.

Shared Premises

Other organisations using the premises will be issued with a copy of the schools emergency procedures and will be expected to cooperate with the preventative measures put in place by the school.

Details of the Schools Emergency Plan

How people will be warned if there is a fire

- The fire alarm will sound as a continuous ringing bell throughout the school.

On hearing the fire alarm all staff, pupils & visitor should:-

- Leave the building via the nearest emergency exit to the assembly points as detailed on the fire evacuation procedure and diagram.
- SBM - check fire panel to locate alarm zone and establish either false alarm or fire location, telephone the fire service as required
-

What staff should do if they discover a fire?

- Staff should break the nearest break glass point and report the location of the fire to the Head Teacher as soon as possible after ensuring pupils in their care have evacuated to a place of safety.

AND

- Staff should not attempt to tackle a fire unless it is safe to do so, and they are confident they have received sufficient instruction to use fire fighting equipment safely.
- Staff should evacuate the building by the nearest available fire exit.
- Staff should not stop to collect personal belongings on their way out.
- Under no circumstances should anyone attempt to re-enter the building until told to do so by the Head Teacher.

What pupils or visitors should do if they discover a fire?

- Pupils should inform the nearest adult of the location of the fire then join their class for evacuation if this is safe to do so, otherwise leave the building by the nearest exit, joining his/her class at the assembly point.
- Visitors should exit the building by the nearest exit, informing the nearest member of staff on the way out of the location of the fire.

How the evacuation of the premises should be carried out

- All occupiers of the premises should exit as detailed below.
- Staff responsible for pupils should ensure that all pupils in the class have left the room and nearest toilets before exiting themselves. i.e. the last person out of an area should be an adult.
- Staff should close the door behind them on leaving the room.
- Staff and pupils should move quickly and quietly but do not run.
- Teachers will take the class registers to the assembly points (all have laminated class register)
- Caretaker / admin staff to ensure access availability for fire vehicles.
- Admin staff will take pupil contact details and visitor book to assembly point.
- All pupils, staff and visitors will go immediately to the assembly point. If the emergency evacuation occurs at the end of the school day or lunchtime, people will still report to the assembly points as detailed below.

Procedure for checking the premises have been evacuated

- Roll calls will be made by class teachers against the register. SBM/School Administrator to ensure visitor book is taken to assembly point.
- SBM / Head Teacher / caretaker to have radio contact

Where people should assemble after leaving the premises
