

Ouston Primary School: Sports Premium Plan 2019-20

The Sport Premium is an amount of money which the government has agreed to allocate schools for the next academic year (2019-20). The funding amount schools receive is based upon the number of children of primary age the school has. The sport premium is to be used to increase the quality and breadth of PE and sport provision and increase the participation in PE and sport.

At Ouston Primary School we strive to promote healthy and active lifestyles and aim to provide sporting opportunities for all.

The premium funding must be used to fund additional and sustainable improvements to the provision of PE, physical activity and sport. This means the funding should be used to:

- Develop or add to the PE, physical activity and sport activities that we already offer
- Increase the participation of **all** pupils in regular physical activity – at least 30 mins a day in school
- Raise the profile of PE and sport across the school
- Develop the confidence, knowledge and skills of staff in teaching primary PE and sport
- Provide a broad experience of sport and activities to children
- Increase participation in competitive sport

Below is a breakdown of how the funding for 2019/20 will be spent

Sports Premium Budget: £18280
