18th May 2021

Dear Parents and Carers,

As you are aware we have not been able to organise trips and visits as we usually would because of Covid restrictions. Therefore, we have organised a unique experience for children in school. We are bringing the whole solar system to our school!! On Monday 7th June, a mobile planetarium company called WonderDome (www.wonderdome.co.uk) will be visiting our school. A mobile planetarium will be set up in our school and WonderDome's astronomy presenters will work with the children.

This is a unique experience for the children to explore our Solar System first hand through presenter-led shows immersed in a real planetarium setting. Each class in school from Year One to Year Six will visit the planetarium and experience an amazing journey into our solar system. This will be a fabulous start to our annual Science Week and Reception and Nursery staff have lots of exciting things planned for our younger children too, relating to this theme.

We would like to request a voluntary contribution of **£2.00 per child** to cover costs for this amazing experience, on the understanding that without this we may not be able to proceed with the event.

Please contact school if you have any questions about this event.

Yours Sincerely, Mrs Exley (Science Coordinator)

REPLY SLIP – WonderDome Planetarium – Monday 7th June 2021

Name of child _____ Class _____

I enclose a contribution of £2.00 towards the cost of the activity

Signed _____
